The Erasmus+ project at the EMA

a. How would you describe your child's character?

b. Please explain in what way your child could benefit from participating in Erasmus+ Pupil Longterm Mobility.

10. Signatures

I, the undersigned, authorize the sending school to use the data provided on this form for the selection of students in the framework of the Erasmus+ Pupil Longterm Mobility. If my child is selected, I agree that this data will be shared with the host school and that the host school will share the data with the family that will host my child. I am aware that if my child participates in the program, the data contained in this form will also be sent to the national agencies responsible for Erasmus+ in the sending country and the host country. All persons who receive this data must treat it confidentially.

I am aware that if our family or my child is selected, participation can only take place in accordance with the COVID 19 conditions and regulations in force at that time.
